REPORT

Name of the Program: *Teacher's Day.*

Date of the program: *05/09/2022*

Teachers' Day is celebrated on two different dates, on 5th September in India and 5th October worldwide. In India, Teachers' Day is celebrated on 5th September, i.e., the birthday of our former president Dr Sarvepalli Radhakrishnan. Besides being India's former president, Dr Sarvepalli Radhakrishnan was a scholar, teacher and philosopher. It is said that this day came into existence when some of his students decided to celebrate his birthday, and he said instead of celebrating his birthday, they should celebrate this day as Teachers' Day and show respect to all the teachers.

On 5th September, 2022 (Monday), the WISE Engineering College organized Teachers' Day celebrations. The function took place in the auditorium of the college. All the departments of the college were beautifully decorated by the students for Teachers' Day. The students of various departments, along with the help of the Student's Union, organized a function for the teachers.

REPORT

Name of the program : Republic Day

Date of the program : 26/1/23

The Management, Principal, staff and students of WISE College celebrated " Republic Day " in the college premises on 26th January-2023.

Republic Day is a commemoration of India's constitution coming into force on 26th January 1950, which completed the country's transition towards becoming an independent nation. This day is not just about celebration but represents the birth of India's constitution. India marks January 26 as its Republic Day every year. In 2023, the country is celebrating its 74th Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our WISE College with great eclat. The university building was tastefully decorated with flowerpots and national flags. We were beside ourselves with joy. Loudspeakers were fitted. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.
