REPORT

Name of the Program: Independence Day

Date of the program: 15/8/2019

It was a red letter day in the history of India when the country got her freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp and show. The main Programme is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in school, college and university. Our College also celebrates this festival every year, this year also, our college celebrated Independence Day on 15 August 2019 with great joy and pomp. On that day the sense of happiness and pride could be clearly seen on the faces of all the people as India was celebrating its 73rd Independence Day on 15th August 2019.

The program started with prayer at 08:00 am. The Principal, Vice-Principal and all the HOD's were sitting on the chairs on the stage and all the students were standing in the proper lining. The Principal and our college secretary unfurled the flag together at around 8:45 am. As soon as the flag was hosted, everyone sang the national anthem. After that, different types of programs were presented by the students. This was followed by a prize distribution program in which the students who win the games were also rewarded by the principal.

In the end, the Principal sir delivered the short speech. He told the students about the supreme sacrifice the great martyrs who gave their lives for the sake of freedom. He also said that the freedom was very precious and it was very necessary to preserve it and also told the students to follow the ideals of the great people like Mahatma Gandhi, Nehru, Subhash Chandra Bose etc. Then some more people delivered speeches on the occasion. The entire Faculty spoke about the significance of the historic day. They advised the students to become ideal citizens of the country. Students also gave an in-depth speech on how we got freedom.

In the end of the ceremony, sweets were distributed among the students. There was also the friendly cricket match between the teachers and the students.

REPORT

Name of the Program: Teacher's Day

Date of the program: 5/9/2019

The Management, Principal, Staff and Students of WISE COLLEGE celebrated " Teachers Day" in the college premises on 5th September 2019.

Teachers' Day is celebrated on two different dates, on 5th September in India and 5th October worldwide. In India, Teachers' Day is celebrated on 5th September, i.e., the birthday of our former president Dr Sarvepalli Radhakrishnan. Besides being India's former president, Dr Sarvepalli Radha krishnan was a scholar, teacher and philosopher. It is said that this day came into existence when some of his students decided to celebrate his birthday, and he said instead of celebrating his birthday, they should celebrate this day as Teachers' Day and show respect to all the teachers. Teachers truly are the backbone of society. Teachers play many roles in our life like Knowledge House, Lifelong Mentor, Career Guide or Sounding Board. It is the teachers who create a good life and a good future for us. One cannot achieve the greater heights or perform to his/her best potential without teachers. This day is dedicated to Dr. Sarvepalli Radhakrishnan – second President of India. The great academic philosopher, and one of the most well known diplomats, scholar, president of India and above all a teacher. As a tribute to this great teacher, his birthday has been observed as teachers' day.

Shuttle competition was conducted the Students and Awarded to the Winner The programme was coordinated by V.Santha Kumari.

Cricket competition was conducted the Students and Awarded to the Winner. The event was coordinated by K. Hanumantha
