## INSTITUTIONAL INITIATIVES:

### 1. RESTRICTED ENTRY OF AUTOMOBILES

Our institute has 10 buses which covers 60 kms to provide secure and safe transport service for the convenience of faculty and students residing at any destination near by villages of the college. Every student and staff members are expected to avail the transportation facility to enable them to be punctual to college, Our college buses are regularly checked to be pollution free by an endorsed agency. All the Buses will stay outside the College gate as a part of institutional initiatives for pollution free campus.

### 3. BAN ON USE OF PLASTIC:

One time use plastic items such as bottles, bags, spoons, straws and cups are banned totally, Consciousness is created among staff and students through orientation and showing boards in the college premises. To avoid use of plastic measures have been taken to replace plastic tea cups and glasses with steel glasses in the canteen. The staff and students are intimated to use Steel or Copper water bottles in place of Plastic water bottles.

The Institution also organised activities under Unnat Bharath Abhiyan (UBA) and National Service Scheme (NSS) on the execution of plastic free campaign in the embraced villages.

Students and Faculty members described the ill effects of plastics and commended not to use plastic. In place of plastic recycled bags can be used which rescue the environment and animals. School Children and the people of the village reacted and ensured that they will refuse to use plastic and also welcomed the initiative.

#### 4. LANDSCAPING WITH TREES AND PLANTS.

Landscaping of the college is important and reflects aesthetic sence. The institute has shade of trees and plants to make the environment pollution free to safeguard the health of the people. The lawns and the trees are providing shade , wonderful climate and which provides positive vibration.

The maximum care is taken in the process of developing and maintaining the green landscaping by well trained staff are appointed to make healthy and pollution free environment in the institution.

Internal Information in the campus is forwarded through e-mail or e-message which will make the campus paperless office.

So, Landscaping with trees and plants in the institution is very essential to make pollution free and healthy environment.
