No. of students participates:

Profile:

Ms. U.SHEELA JESSY

Ms. U.SHEELA JESSY, the speaker of the five days event. He explained the what is Career Planning and he spokes to students about How to Plan your career also assess Yourself, research the possibilities, set goals and take action. Be flexible. And he spokes to students you may think that a successful career is equal part hard work and being in the right place at the right time. And while hard work often plays a role, having the career you went is less about luck and more about career planning.

The career planning process is when you figure out what you want your career path to look like and what you have to do to make it happen. You set short, medium, and long-term career goals, then determine the steps you need to take to accomplish those goals.
