POLICY DOCUMENT

FINANCIAL ASSISTANCE FOR ATTENDING FDPs / RESEARCH WORKS / CONFERENCES / WORKSHOPS / SEMINARS / SYMPOSIA / COURSERA / PUBLICATIONS

INTRODUCTION

West Godavari Institute of Science And Engineering enhances the knowledge of its faculty through research and innovation. The institution updates its faculty by expanding facilities. Research skills and by providing a place for them to share their knowledge, experience and research with the rest of world encourages its faculty by providing financial assistance to the teaching staff to conduct research in the college. Attend Fdps, conferences, workshops, seminars, symposia, courser and publications at the national and international levels and obtain professional membership in the relevant fields. It aims to strengthen the standard of the faculty by promoting them to attend training in emerging areas and new technologies.

OBJECTIVE

- To improve the educational qualification and knowledge of the teachers to the present requirements.
- To create a healthy platform for teachers to share their knowledge and thoughts.
- To interact with eminent people, industrialists, academicians and scientists from research institutions to improve teachers in depth knowledge of subjects.
- To instill a research tendency in faculty members and to improve their research skills.
- To foster the development of multi-discipline, research endeavors across faculties and departments.

EIGIBILITY

The regular teaching faculty of the institute is eligible for financial assistance. The assistance is given to attend Fdps / research work / seminars /workshops/ conferences /symposia at the state, national and international levels. Financial assistance is given for research projects and publications published in reputed journals like Scopus, Web of science and SCI – indexed journals. Regular employees are given financial assistance to attend NPTEL courses and short term certification courses in order to keep up with emerging technologies.
