Feedback on facilities for Academic Year 2022-23

SUMMARY

The feedback addressed issues like suitability of the course and its need based outcomes of the curriculum. The responses were also taken from them about the weightage of the feedback on 5 points scale.

Students suggested more technical exposures and hands on experience to enhance students technical skills in their field of expertise. Students are emphasized on more industry visits based on the courses and also suggested the strengthening of extracurricular activities.

Majority of the students were completely satisfied with overall facilities available in the college.

FEEDBACK ON FACILITIES FOR THE ACADEMIC YEAR: 2018-19

OBJECTIVE OF THE FEEDBACK

The institution aims to provide the best possible environment and experience to encourage students to perform to their full potential for academic achievement. Students, Teachers and Employers play an important role in the evaluation, development and enhancement of quality of this learning process.

ACTION TAKEN

The curricular related suggestions are represented to the university affiliated to it. Formal instructions were circulated to all the Head of the Departments through competent authority for addressing the issue of increasing the practical sessions with hands on training in the way of groups.

Teachers paid more attention to the practical training on skill oriented workshops. It has helped in dealing the topics taken in the lectures and also helped in developing technical skills of the students because of hands on experience. Efforts were made by the teachers for periodic industry visits.

Feedback on facilities for Academic Year 2018-19

SUMMARY

Majority of the students strongly agreed that the syllabus imparted value-based learning in terms of skill, concepts, knowledge and critical thinking.

Students agreed prescribed books were relevant, updated and appropriate.

More students agreed that the syllabus increased their knowledge and understanding of the subject studied.
