POLICY ON GREEN CAMPUS

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

Objectives to the go green program:

The first step of the Go Green Program involves establishing available Green-Campus Committee, within the organizational structure of the Institute. Hence, to give this initiative more clarity and authenticity, we now roll out a POLICY DOCUMENT spelling out the strategies, plans and other allied tasks to make this Program functional officially.

We believe that greening the campus is all about sweeping away wasteful inefficiencies and using conventional sources of energies for its daily power needs, correct disposal handling purchase of environment friendly supplies and effective recycling program: The administration of the Institute believes that everyone has to work out the time bound strategies to implement green campus initiatives. These strategies need to be incorporated into the institutional planning and budgeting processes with the aim of developing a clean and green campus. Every individual of West Godavari Institute Of Science and Engineering will work, may he/she be a student, faculty and support staff to foster a culture of self-sustainability and make the entire campus environmental friendly.

- Understanding various environmental issues and the need to address them
- Sensitizing people about the need for protection of environment for a sustainable healthy future.
- Instill a sense of responsibility for the environment and a personal commitment to protect and preserve the environment.
- Undertaking technological setup aimed at an environmentally and economically strong impact
- Ensure environment friendly practices in the college

Green Campus Initiatives:

- Waste water Management/Rainwater harvesting Maintenance of water bodies and distribution system in the campus:
- Plastic free Campus Tree Plantation Drive
- Use of LEDs only Digital Library
- Use more read out material in soft form Reduce the hard readout material Use More of E-mail for officially communicating the information needed, online reading etc.
- Keep a stack of paper that has been printed on one side and use it for day to day rough work.
- Minimize the use of fertilizers and pesticides in college grounds, opting to the use of compost produced on site wherever possible
- Ensure that all cleaning products used by college staff have a negligible harmful Impact on the environment.
- Use two types of bins separately for biodegradable and non-biodegradable wastes in the college campus as well as in hostels reusing the class room furniture by altering them. thereby reducing the metal waste
- Providing women washrooms with incinerators to destroy sanitary napkins for easy disposal in an environmental friendly way.

West Godavari Institute Of Science and Engineering has taken initiative to create awareness on Green campus students and staff to protects its own environment with its green campus initiative and keeps pollution free campus.

POLICY DOCUMENT ON DISABLE FRIENDLY AND BARRIER FREE ENVIRONMENT

West Godavari Institute Of Science and Engineering was established in the year 2008 with an aim of bringing quality engineering education closer to the rural students. The college has created a resourceful and inspiring academic ambience and world class infrastructure. The college is Private Self Financing Institution. The College is approved by AICTE New Delhi. The College is affiliated to Jawaharlal Nehru Technological University, Kakinada (JNTUK). The college envisages in the comprehensive development of students and offers qualitative, enduring and enriching education making it a dynamic hub of academic excellence.

Objectives of the policy:

- To create inclusive culture to avoid discrimination, exploitation and exclusion of disable students and staff from all areas of work and education.
- To ensure implementation of all legislations with respect to persons with disabilities. To ensure full participation of persons with disabilities and to provide them the equal opportunities for development.
- To provide all the facilities in the campus for barrier free movement of persons with disabilities.

Disabilities:

Disability is a term that includes motor and sensory limitations like mobility, vision or hearing impairments. It also includes disabilities resulting from chronic illness and syndrome. Many disabilities vary in degree and Type of limitation; therefore, accommodations must also vary and should be tailored to the needs of the individual.

West Godavari Institute Of Science And Engineering will constitute a specialized committee for people with disabilities which will be responsible in preparing, executing and amending policy and guidelines for persons with Disabilities.

The major functions of this committee for persons with disabilities include

- To address all disability related issues in the campus
- To ensure overall accessibility for people with disability in the entire college campus.
- To determine major grievances pertaining to any matter of persons with disabilities. If it is not resolved, it should be sent to the higher authorities.

Accessibility policy:

Providing access means making all the services, activities and benefits thereof, fully available to qualified people with disabilities. The institution provides various provisions in creating disabled friendly campus. The college administration and faculty members ensure appropriate reasonable accommodations for each person with a disability and be willing to resolve access issues. The campus is a barrier free and accessible for differently challenged persons.
